Company Profile**

01

Air Shipping

Due to the sensitivity and time pressures involved in airfreight, Sea~Sky Express Ltd develops comprehensive airfreight service plans tailored to meet our customers' specific requirements. This is accomplished by learning our customers' exact objectives with regards to their internal and external requirements.

02

Sea Shipping

We have a dedicated Ocean Freight Department specializing in FCL, LCL, Break-Bulk, Project Cargo and different types of cargoes on a global scale.

The flexibility and range of Ocean Freight Services we offer our customers economical alternatives to other, more costly modes of transportation. Our worldwide logistics services cover not only shipments from port-to-port, but also the complete door-to-door supply chain solution.

03

Road Cargo Transport

Most transport chains include trucking at either the beginning or the end. Sea~Sky's integrated transportation and logistics service includes Road Transportation Service that connects all major trade centers into a single network.

We are one of the leading LTL and FTL operator in the CIS offering regular, scheduled departures to/from all major cities and the CIS.
